👤 About Me

With the completion of my master's degree in 2015, I began working with various web development companies and agencies. With **over 8 years of hands-on experience**, I specialize in web development using technologies like ReactJS, NextJS, NodeJS, WordPress, WooCommerce, and Web Design. I am skilled in client communication, requirement gathering, analysis, sprint planning, and have familiarity with Agile Process. I am passionate about staying up-to-date with the latest trends to deliver optimal results.
